

Lupu, Noam. 2010. "Who Votes for *chavismo*? Class Voting in Hugo Chávez's Venezuela." *Latin American Research Review* 45 (1): 7-32.

An editorial error in the published version of Table 2 presented identical results for the 2006 analysis among only voters and among voters and abstainers. The correct version of the table is provided below.

Table 2. *Effect of class on vote for Chávez*

	1998		2000		2004		2006	
	Voters	Voters and abstainers	Voters	Voters and abstainers	Voters	Voters and abstainers	Voters	Voters and abstainers
